

A National Highways notification

**A30 Callywith to Carminow westbound
Overnight resurfacing
22 June to 12 July 2022 – Monday to Friday 8pm to 6am**

National Highways operates, maintains and improves England's motorways and major A-roads.

This postcard is to let you know we'll be resurfacing the westbound carriageway of the A30 between Callywith and Carminow. Where possible we'll complete noisiest works before 11pm.

The road will be open as usual during the day and we'll make every effort to ensure the impact on the local community and travelling public is kept to a minimum. We always aim to work to the programme, however unforeseen circumstances or adverse weather conditions may mean changes.

Please accept our apologies in advance for any disruption which may be caused.
