## **1. Purpose**

This policy sets out Bodmin Town Council's approach to equality and diversity.

1.1 Bodmin Town Council is committed to promoting equality and diversity and promoting a culture that actively values difference and recognises that people from diverse backgrounds and experiences can bring valuable insights to the workplace and enhance the way we work.

1.2 Bodmin Town Council aims to be an inclusive organisation, committed to providing equal opportunities throughout employment including in the recruitment, training and development of employees, and to pro-actively tackling and eliminating discrimination.

## **2. Equality and Diversity at Bodmin Town Council**

2.1 We consider that equality means breaking down barriers, eliminating discrimination and ensuring equal opportunities and access for all groups both in employment, and to goods and services.

2.2 We consider diversity to mean celebrating difference and valuing everyone. Each person is an individual with visible and non-visible differences and by respecting this everyone can feel valued for their contributions which is beneficial not only for the individual but for Bodmin Town Council too.

2.3 We acknowledge that equality and diversity are not interchangeable but inter-dependent. There can be no equality of opportunity if difference is not valued and harnessed.
