# BODMIN

## Help us to shape the future of Bodmin.

Please let us know what you think about the draft Neighbourhood Development Plan.

A team of consultants led by Summerfield Planning, Clifton Emery design, and AWP Partnerships have been commissioned by Bodmin Town Council to assist them in preparing a Neighbourhood Development Plan.

The Neighbourhood Development Plan is a legal planning document that will

help to guide the type and form of development in the Bodmin NDP area in the future.

The Plan will set out the projects and planning policies that will help to shape and improve our community over the coming years.
